

Discipline: (4) Follow
Shot / Challenge #: 4
Degree of Difficulty: 8

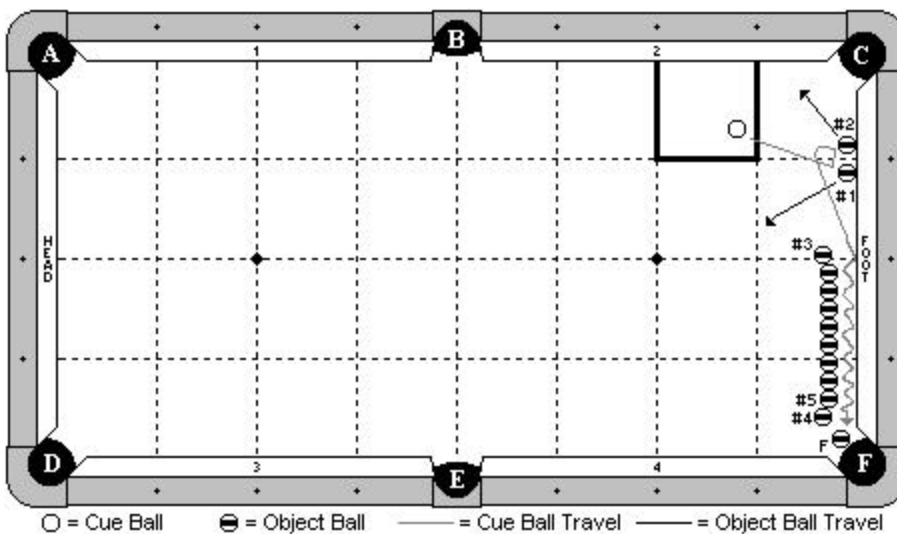

Cue Ball Placement: In hand, anywhere in box zone.

Object Ball(s) Placement: # 1 object ball and # 2 object ball both frozen to foot cushion, and centered around 1st diamond. Row of 10 balls is approximately 1 ball's width away from cushion. Player has option to adjust spacing between row of object balls and cushion, but they all must remain in a straight line, parallel to the cushion. Player has the option of adjusting ball #3, #4, and #5 away from the cushion, but they must remain frozen to the rest of the balls in line. All balls in row are frozen. 'F' ball centered between pocket points.

Objective: Shoot cue ball to clear # 1 object ball, carom to clear # 2 object ball, and then carom back to enter opening at row of 10 balls. Cue ball hits at least four of the balls and travels in a "tick, tick, tick" sound to 'F' ball. Make 'F' ball in designated letter pocket.

Special Notes: If less than 4 balls are hit, no score for that attempt. Cue ball must contact object ball # 1 first, then object ball # 2, and then travel forward into the line of 10 object balls. Cue ball scratch is allowed (no penalty).

Scoring Potential: 1st attempt – 8 points
 2nd attempt – 7 points
 3rd attempt – 6 points
